Lakehead Region Conservation Authority Craft Fair

Unique handicrafts will be on the table at the Lakehead Region Conservation Authority's 2008 Fall Craft Fair.

More than a dozen local crafters will be in attendance at Hazelwood Lake Centre this Sunday September 14 from 1:00 p.m. to 4:00 p.m. They will be offering such items as greeting cards, rustic crafts, birch bark art, Christmas ornaments and hand made jewelry.

"The annual Craft Fair is a great opportunity to pick up distinctive gifts for family and friends," says LRCA Chairman Bill Bartley. "While at Hazelwood Lake, visitors are also encouraged to enjoy a relaxing hike on one of the nature trails for a glimpse of early fall colours and maybe even some wildlife."

Admission is just \$2 per person.

Hazelwood Lake Centre is a leisurely 14-km drive north of Dawson Road on Hazelwood Drive.
