### **2010 Explorer Card Now On Sale!**

The Lakehead Region Conservation Authority (LRCA) is pleased to announce that the 2010 Explorer Card is now available.

A visit to any of our Conservation Areas usually costs \$2/vehicle. But with a 2010 Explorer Card visitors can enjoy unlimited seasonal access to all these areas for just \$30.00! That includes use of the boat launches onto Lake Superior at Silver Harbour or Little Trout Bay Conservation Areas. Explore kilometre after kilometre of trails at the Cascades, Mission Island Marsh or Hazelwood Lake Conservation Areas.

Our Conservation Areas offer seasonal enjoyment for everyone. From Spring until Fall, visit Hurkett Cove which is one of the top birding locations in all of Ontario. Hazelwood Lake is ideal for snowshoeing or watching for wildlife. Escape for a quiet summer picnic along the tree lined shore of Cedar Falls. Don't forget about MacKenzie Point Conservation Area which, from Spring until Fall, offers breathtaking views of Lake Superior. They're all a short, rewarding drive from your front door!

Funds raised through the sale of 2010 Explorer Cards go to support maintenance costs such as taxes, insurance, labour and repairs of lands operated by the LRCA.

The 2010 Explorer Card is available only at the LRCA office, 130 Conservation Road. Use your VISA card and order by phone! The Explorer Card makes an excellent gift.
