

Hazelwood Lake Nature Centre

---

FOR IMMEDIATE RELEASE

December 2, 2008

## **Lakehead Conservation Welcomes White Fox Inn as New Caterer at Hazelwood Lake Nature Centre**

Changes are coming to the Hazelwood Lake Nature Centre!

Following the development of a new Marketing and Business Strategic Plan for the Centre, it was decided to adapt the name to be more indicative of the experience people can expect to enjoy there. As a result “Nature” was added to the name. A new logo was also created which is a stylized view of the Centre as seen from the shores of Hazelwood Lake.

Following a call for Catering Services, the Lakehead Region Conservation Authority (LRCA) is pleased to announce that the White Fox Inn will now handle all bookings at the Centre.

Get away from it all and get focused at Hazelwood Lake Nature Centre – the ideal location for your wedding, reception, meeting, company picnic, retreat, seminar or workshop. The Centre is a multi-purpose venue that combines the elegance of a modern facility with the majestic surroundings of a 618 hectare Conservation Area.

In addition to hosting private events, the White Fox Inn also plans to host a Mother’s Day Brunch at the Centre. Hazelwood Lake Nature Centre is also the site of the LRCA’s Family Fishing Day held each July and a Fall Festival and Craft Fair which is held in September.

“We are very pleased to welcome Ron and Lisa LeMarquand of the Whitefox Inn to the Hazelwood Lake Nature Centre,” says LRCA Chairman Bill Bartley. “The White Fox Inn has developed an outstanding reputation for its elegant dining and first class catering services. We look forward to working with them and hope everyone will consider Hazelwood Lake Nature Centre for their next special function.”
