Master Gardeners, Water Wise Gardening Workshop

Have you found your garden drying up? Water wise gardening will provide you with a healthy and superior garden!

The Lakehead Region Conservation Authority is hosting a Water Wise Gardening Workshop at Hazelwood Lake Nature Centre at 2:00 p.m. on Sunday, June 27th, 2010. Master Gardeners Susan Jaward and Erika North will provide an overview on how to wisely conserve water in your garden, leading to healthy and fast growing plants and vegetation!

The Master Gardeners will be giving a power point presentation and handing out pamphlets for participants to apply water wise gardening in their own backyards!

This workshop is geared towards all gardeners and is only \$5.00 to attend. Pre-registration is required by Wednesday, June 23rd by calling the Lakehead Region Conservation Authority at 344-5857.

Hazelwood Lake Nature Centre is located 14-km north of Dawson Road on Hazelwood Drive.
