Your contribution to this program provides a park bench and its on-going maintenance for a five-year period. An identification plaque is placed on the bench with the name of the person being honoured or remembered. Donors also receive an official tax receipt. The Lakehead Region Conservation Authority will select an appropriate bench location. Once the bench is installed, you will be notified of its location. If you have a specific location you would like to request, please contact our office.

Inscription for plaque (8 words maximum - please print clearly):

In the event the bench should become damaged or vandalized, the Lakehead Region Conservation Authority will repair, maintain or replace the bench (depending on severity of damage) for a period of five years following the installation date. After a five-year period, the Lakehead Region Conservation Authority will provide you with the option to purchase (re-dedicate) the bench again at a cost to be determined. If we are unable to contact you, the existing plaque may be removed and held for a period of 30-days, the bench may be removed and the location may be available to other donors. Note: It is your responsibility to inform us of a change of address.

Dedicate A Bench: \$2,500 (includes GST. Price is approximate and may vary depending on cost by supplier)
